

Hello everyone. How are you? I hope you are all safe and healthy. I know you miss school that's why all teachers in Kazono Elementary School wants you all to feel connected and joyful. I will try my best to keep in touch with you kids.

By the way, hope you still remember our **Jolly Phonics**.

Can you still say the sounds and do the actions? I hope you still remember. Please continue to practice Jolly Phonics at home.

Until next time kids. I can't wait to see you all and start our English lesson. Stay safe and healthy.

Don't forget to wash your hands.

Suzarah
